Sir,

Sub: Jails -Royapuram Camp Jail,Kaggalu - Closure of - Retention of one post of Upper Division Clerk - Sanction - Requested.

I have to state that the Superintendent,Royapuram Camp Jail, Kaggalu has brought to my notice that the services of the Reserve Deputy Jailor and Upper Division Clerk of his jail will be necessary - even after the formal closure of the jail on the 30th November 1952 inorder to finalise the accounts between the Jail and the P.W.D.authorities. A copy of his letter No. G.3845/52,dated the 12th November 1952 is enclosed for information of the Government. pp 3-5 below.

2. After closure of the jail,the Superintendent, Central jail, Bellary will be in charge of the accounts etc. relating to the Royapuram Camp Jail, Kaggalu. In the circumstances stated by the Superintendent, Royapuram camp jail,Kaggalu it would be necessary that the Superintendent, Central Jail,should have the services of some of thestaff of the Royapuram Camp jail, Kaggalu who ~~all~~ aware of the severl transactions. Hence I have absorbed the Reserve Deputy Jailor in the regular establishment of the Central jail,Bellary.

3. As the clerks working in the Central Jail,Bellary are not conversant with the several transactions relating to the Royapuram camp jail, Kaggalu, it is imperatively necessary that one post of Upper Division Clerk sanctioned for the Royapuram Camp Jail,Kaggalu should be transferred tothe Central Jail, Bellary till the accounts are finalised. Furtner the Superintendent,Central Jail,Bellary will not be in a position to depute a clerk of his jail tolook after the accounts of the Rayapuram camp jail,Kaggalu as already the clerks of his jail are overtrowked. I,therefore, request that the Government will be pleased to order the transfer of one post of Upper Division Clerk sanctioned for the Royapuram Camp Jail,Kaggalu in G.O. No.R.551, Home,dated 19th February 1952 to the Central Jail, Bellary on and from Ist December 1952 till 31-3-53 or till the necessity ~~ar~~ ceases whichever is earlier. I request very urgent orders of the Government in the matter.

4. Thedates of disbandment of the temporary staff sanctioned for the Rayapuram camp jail, Kaggalu will be reported in due course.

Copy of letter No.G.3845/52,dt.12-11-52 from the Superintendent, Rayapuramcamp jail, Kaggalu to the Inspr.Genl.of Prisons,Madras.

Sub: Rayapuramcamp jail, Kaggalu -Closure of Records - Correspondence and accounts - Retention of Upper Division Post beyond 30-11-52 attached to Central Jail, Bellary - Requested..

As per the present orders of the Inspr.General contained in his No.61/S2/52,dt.11-10-52,this jail is to be closed down permanently on 30-11-52. The period of continuance of the staff last sanctioned in Inspr.Genl.'s orders 869/B1/52,dt.10-10-52 expires on 30-11-52, but the work connected with the accounts will not be over by that date or for some time more to come.

2. The final measurements are to be yet completed and a line of agreement reached between the P.W.D. and this jail, so far as earth work is concerned. After the measurements are completed the P.W.D. will prepare bills for acceptance and pass on necessary credit through their division office. The division office, after acceptance of bills transmit the bills for credit to the Audit Officer. This is an elaborate task which requires constant watch till the accounts are settled.

The P.W.D.have to furnish this jail with a detailed list of all the debits so far made to the jail. All these require a through scrutiny for determining which of the items the P.W.D.wish to take and raise credits to the jail or give the articles back to the jail, in case these stores articles are not transferred to other sub. divi ions, subsequent to raising of the debits Unless a thorough scrutiny is made,it is not possible to know the state of affairs of the accounts and this will be possible only after the P.W.D.render the lists called for to the jail. There are a good number of items which require investigation of their purchase or transf transfer from other P.W.D.sub divisions but credited to jail. The accounts cannot reach a quick decision in this regard,as a least over-looking of the debits will run the risk of credits being raised against this department. The statement of objections raised on a certain T.E.O. sent by the Sub-divisional Officer, Kaggalu and submitted to the Inspector-General with this office letter No.G.3578/52, dt.3-10-52 indicates the position of accounts and how this department is to be watchful to realise all the possible credits from the P.W.D.

The Executive Engineer appears to have asked the Sub Divisional Officer, Kaggalu to take up jail accounts and furnish the jail with charges that are to be made to the jail during the whole year 1952 and certain other months of 1951 which remain uncharged. The lists are gathered to be under preparation and will have to pass through their division office for transmission to jail. These expenditure lists will not reach this office before 30-11-52 and there is no likelihood of these being received in the near future. As these expenditure lists are Transfer Entry orders items by items requires a thorough examination as to whether the articles purchased and debited are put for use to work connected with the jail or not or transferred to any other Sub Division but not credited to jail and how far the expenses are to be borne by this department only. It will not be in the interest of the Department to accept the Transfer Entry Orders without knowing the position of dealings.

In addition to the fixtures over which a tentative decision was reached by the Inspr.General, the Superinending Engineer, Canals Circle, Bellary and the Executive Engineer, T.B.P.Localisation, Bellary on 10-11-52,there are several other items which will have to be studied and their exact position known. A few examples given below will indicate the position of accounts:-

P.T.O

(1) The P.W.D. In October 1949 purchased for the jail, crowbars mummaties and pick-axes ad deducted Rs.6750/-from the earnings of the prisoners as detailed below:-

Name of article.	Quantity purchased.	Rate.	Value.	Quantity delivered to jail.	Yet to be accounted by P.W.D.
1	2	3	4	5	6
Mummaties.	1000 Nos.	Rs.3-8-0	3500/-	853 Nos.	147 Nos.
Crow bars.	250 "	Rs. 6/-	1500/-	130 "	120. "
Pickaxes.	500 "	Rs.3-8-0	1750/-	375 "	125 "

The P.W.D. are now to account for the articles noted in column 6. the value of which works out to Rs.1672/-. Though this item could be detected on 6-8-52, and the Sub Divisional Officer, Kaggalu addressed in the matter, there has been no response. These credits are to be watched when P.W.D. raise it.

(2) They corrugated iron sheets and angle iron which housed the co-operative society and the quarters of the generator drivers fitted with Angle Iron, and trusses, cement blocks etc. and the like.

(3) In July 1949, the P.W.D. charged Rs.461-4-0 towards petrol charges for water lorry which supplied water to jail. At the sam time, lorry hire charges have been claimed in the Transfer Entry Order No.156/1-52/2-49-50 and the T.E.O. had to be accepted pending realisation of credits.

(4) Spares purchased for the generators and still stocks have to be listed and necessary credits demanded.

As this jail has no detailed intimation of expenses that had been incurred on behalf of the jail by the P.W.D. or further expenditure on the jail that the P.W.D. is going to show, it is not possible to state as to where the accounts take their stand. The list called for from the P.W.D. will give a full picture of the accounts position and credits can be asked after examining the lists.

The departmental accounts also remain unsettled, if the accounts side does not function beyond 30-11-52. For all articles of clothing and bedding, surgical appliances transferred etc. except those that were sent for stocks to the Central Jail, Bellary, invoices have to be issued and the accounts closed. As the closing of the jail thrusts lot of work both on the establishment side as well as on accounts, the post-work connected with the closure of the jail drags on for a certain period more, inspite of the jail being wound up on 30-11-52.

I may add that a section of the records have already been transferred to Central Jail, Bellary as per Inspr. General's Orders No.884/W5/52, dated 4-9-52 and the balance of the records will be transferred on closure of the jail. It is desirable that the records of this jail are sorted and kept separately so as to prevent their being mixed up either with the Central or Old Alipuram jail records. The audit of this jail is not yet over and the preservation of records therefore forms an important aspect of work so that no difficulty may be experienced during the course of audit.

In order to facilitate the settling of the accounts between the P.W.D. and the jail, I have already addressed the Sub divisional Officer, P.W.D. Kaggalu to furnish this office a detailed list of all the charges made to the jail, which have been deducted from the earnings of the prisoners.

It is to make the department financially as beneficial as possible, that there is a necessity to scrutinise the debits raised against the jail by the P.W.D. The several items which have been shown under expenditure and deducted from the earnings of prisones are likely to fetch credits to the department.

Till this work comes to the level, it is essential that a clerk of this jail with a knowledge of accounts, and records during the closure of the jail and also Reserve Deputy Jailor Sri.V.S.Sundaresa Sarma who is also in the know of the entire transactions of the jail, are attached to Central Jail, Bellary till all the accounts and furhther correspondence relating to this jail, is over, subsequent to 30-11-52 and the only clerk to be attached to is Sri.G.Sheshagiri Rao who is in a thorough know of the transactions of finance between the jail and the P.W.D. and the remission section as well. Otherwise there is every possibility of the department loosing credits to be raised by the P.W.D.which have already been deducted from the earning of the prisoners.

In this connection, I state that there is sanction for the entire establishment till 31-3-53 as per G.O.No.551, Home, dt.19-2-52 communicated with Inspr.Genl.'s Endt.No.287/52,dt.25-3-52. There may not be a need for special sanction of the Government for the continuance of these posts beyond 30-11-52 upto 31-3-53, in view of the pressing need for the existence of these posts beyond 30-11-52 to settle the accounts both departmental as well as those connected with the P.W.D.which fetch credits to the department. The continuance of the post of this clerk and the Reserve Deputy Jailor attached to the Central jail,Bellary will facilitate the Superintendent,Central jail,Bellary to have a thorough knowledge of the financial account position of this jail still remain unsettled with the P.W.D. and enable him to further investigate the items that can be taken over to the Jail Department and to get proper credits for the items that may not be required to the Jail Department, as I consider that the Superintendent Central jail,Bellary should be made responsible by the Inspr.General for the proper realisation of credits and also watch the debits.

I also submit that in case my suggestion is accepted, it is desirable that either the station waggon or the remaining one lorry with one driver may be attached to the Central jail, Bellary in order to enable the Superintendent,Central jail, Bellary and the clerk and the Reserve Deputy Jailor to go over to Kaggalu whenever necessary ~~ne~~ for setting up of accounts and ~~sle~~ also to bring any materials that will subsequently be taken from the P.W.D. No fresh sanction for the driver is necessary since the sanction already given expires on 6-4-53.

Request early orders in the matter.

With reference to para 2 on page 1 of it is submitted that the post was last sanctioned in Govt T no 5551 Home D/19-2-52 (upto 31-3-53) for the Rly Superintendent Camp Jail Karegalu and the D.C. has absorbed this Rly Jailer in the regular establishment. The D.C. has not asked for orders on A above. The essential Jail Bellary Workscome up with a proposal to continue the post beyond 31-3-53 It is presumed that the post will be required at least till 31-3-53 temporarily.
